Trinity Hill Hawkes Bay Wines

In 1993 we planted a vineyard in Hawkes Bay, on the east coast of the North Island, in partnership with top New Zealand winemaker John Hancock. Situated on the stony soils of the Gimblett Gravels region, New Zealand's first "appellation", Trinity Hill is now one of the New Zealand's most acclaimed wineries, winning as many awards for its red wines as for its whites.

Hawkes Bay Whites

Our great value range
